Event/Workshop/FDP/Program/Activity Name: GNIT Team Visit at JISCE AICTE IDEA Lab for Aware about IDEA Lab Proposal Submission

Date: 14/04/2023

Convener or Coordinator Name: Dr. Biswarup Neogi

About the Program:

Team GNIT visited the JISCE AICTE IDEA Lab to gain awareness about the IDEA Lab Proposal Submission process. During the event, the GNIT team was captivated by the impressive advancements and innovations taking place at the lab. The setup of JISCE's IDLAP left them thrilled, and they were impressed by the level of development and innovation in the facility. As a gesture of appreciation, the IDEA Lab presented them with tokens of momentum and love. The visit proved to be a valuable experience, fostering collaboration and knowledge exchange between the institutions.

During the visit, the GNIT team had the privilege of witnessing various ongoing projects and research activities within the lab. They were particularly impressed by the level of development and the wide range of innovative projects being carried out by the students and faculty. The interaction with the lab's members and mentors further enriched the experience for Team GNIT, engaging in insightful discussions, exchanging ideas, and sharing best practices. This visit not only expanded their knowledge about the IDEA Lab but also inspired them to explore similar initiatives at their own institution.
